

GLP Worldwide Expedition Travel and Tours would like to thank you for your previous business and demonstrate our appreciation. After an overwhelming response to our first information/retreat in January 2010, we are pleased to announce a similar event we are hosting this coming February and hope that you can join us.

On Thursday February 2nd and Friday February 3rd, 2011 we would like to invite you to be part of our 2nd information/retreat once again being held at the fabulous 'Rosseau,' A JW Marriott Resort & Spa, located in Minett, Ontario on the beautiful Lake Rosseau.

This one and a half day event has been designed to give travel industry professionals, specifically managers, owners and key decision makers, an opportunity to increase your knowledge regarding GLP's current products, and join us in the announcement of some new niche cruise products that you will find interesting and unique.

This opportunity will also give you a chance to share your feedback with us, network with other retail travel providers and experience this beautiful new resort first hand.

Registration is open to two delegates from each qualified travel agency.
